CONDOLENCES FROM GOV. BLEASE

Sent Telegram of Sympathy to Widow of John M. Cannon. Severe and Painful Shock.

Cannon was a close personal and political friend of the governor and had been honored by several gubernatorial appointments. He was first appointed Judge Advocate General on the staff of Gov. Blease and only a few days before his death was appointed a regent of the hospital for the insane. The telegram of sympathy was as follows:

Columbia, S. C., May 12th,
Mrs. John M. Cannon,
Laurens, S. C.

Have just learned of your heavy bereavement and want to express to you my deepest and most heartfelt sympathy in the death of Col. Cannon. Laurens county and South Carolina has lost a true and noble son and I feel the deep personal loss of one of my truest and closest friends. If there is anything which I can possibly do for you in this dark hour of grief I shall be very grateful if you will call upon me. The sad intelligence was a most severe and painful shock to me.

IF SKIN ITCHES
AND BREAKS OUT
APPLY SULPHUR

Get ounce of bold-sulphur cream and heal Eczema eruptions right up. For years, common bold-sulphur has occupied a secure position in the treatment of cutaneous affections, by reason of its parasite-destroying property. It is not only parasiticide, but also antipruritic, antiseptic and remarkably healing in irritable and inflammatory conditions of the skin.

The moment you apply it to an itching or broken out skin the itching stops and the healing begins, says a noted dermatologist. Just common bold-sulphur made into a thick cream effects such prompt and remarkable results, even in aggravated Eczema that it is a never-ending source of amazement to physicians.

While not always establishing a permanent cure it never fails to subdue the angry itching and irritation and heal the Eczema right up and it is often years later before any eruption again appears on the skin.

Any good pharmacist will supply an ounce of bold-sulphur cream which should be applied to the irritated or inflamed parts, like the ordinary cold creams. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the eruption is accompanied with itching.

MANY GLAD TO

QUIT CALOMEL

Thousands Avoid Taking the Drug and Use Dodson's Liver Tone in Its Place to Their Comfort and Delight. Dodson's Liver Tone is a harmless, reliable vegetable-liquid. It is made to take the place of dangerous calomel.

Calomel in large doses is a poison. It is a mineral, a form of mercury. What it does unpleasantly and very often with decided danger in cases of constipation and sluggish liver, Dodson's Liver Tone does for you safely and pleasantly, with no pain and no gripe. Dodson's does not interfere in any way with your regular business, habits or diet.

Dodson's Liver Tone is backed up by a guarantee of "satisfaction or your money back," as the Laurens Drug Co. will tell you.

Of course so successful and so reliable a remedy has its imitators, but this store has Dodson's and will not deceive you.

Dodson never makes extravagant statements. Dodson's Liver Tone has been made from the first to take the place of calomel. It "lives the liver," overcomes constipation agreeably and makes you feel good and if you are not satisfied completely with it the Laurens Drug Co. will hand back the purchase price (50c) to you cheerfully, instantly and without question.
